

# Meeting 2 February

Harriet Notes	Meeting Comments/Actions
<b>General</b> <ul style="list-style-type: none"><li>- The topics have been taking a long time, not because they are too big, but because I haven't been doing enough work<ul style="list-style-type: none"><li>- I have been doing 10-15h of work a week but the days I do most of the work changes drastically. Since the last meeting, I have maybe done an hour or two of work.</li></ul></li><li>- I have been trying to fix it, but it has generally been bad</li><li>- If the issue continues I think I will have to go back to ADHD coaching.</li></ul>	-
<b>Literature Review (Topic 1)</b> <ul style="list-style-type: none"><li>- I am still on this topic and have not moved forward very much.</li><li>- Only new note is a general thought about prestige in communicating science.</li><li>- I want to move on from this topic but I legit have not done much since last week.</li></ul>	<ul style="list-style-type: none"><li>- Think of how to test assertions vs rebuttals</li><li>- Ask people (maybe done) when someone uses uncertainty what do you think of (what does it mean)</li><li>- Is there uncertainty in this plot (what is it) if none what would be an addition to the plot to convey it</li></ul>
